

A TIDE-SWEPT COAST OF SAND AND MARSH

Coastal Geology and Ecology of Georgia

Miles O. Hayes and Jacqueline Michel

TABLE OF CONTENTS

	Page
PREFACE	viii
ACKNOWLEDGEMENTS.....	x
1. INTRODUCTION	1
SECTION I: COASTAL PROCESSES AND LANDFORMS	
2. ORIGIN OF THE COAST.....	6
HOW OLD IS IT?.....	6
EVOLUTION OF THE COAST.....	9
LOWER COASTAL PLAIN (GENERAL GEOLOGY)	15
QUATERNARY SEA LEVELS.....	18
3. COMPARISON WITH OTHER COASTS	23
4. COASTAL PROCESSES	29
INTRODUCTION.....	29
TIDES	29
WAVES	32
HURRICANES.....	38

HURRICANES THAT HAVE CROSSED THE GEORGIA COAST.....	42
EARTHQUAKES.....	44
5. MAJOR LANDFORMS OF THE COAST.....	45
GEORGIA BIGHT.....	45
Introduction.....	45
Previous Work and Database.....	46
BARRIER ISLANDS.....	48
Introduction.....	48
Types of Barrier Islands.....	48
Origin of Barrier Islands.....	51
Regional Variation.....	54
TIDAL INLETS.....	54
General Introduction.....	54
Regional Variation.....	56
Ebb-Tidal Deltas.....	57
Inlet Migration.....	59
ESTUARIES.....	60
Definition.....	60
Characteristics.....	61
Georgia's Coastal Waterbodies.....	62
Freshwater River Systems.....	63
DELTAS.....	64
SAND BEACHES.....	65
A River of Sand.....	65
Beach Profile.....	67
Beach Cycle.....	71
Georgia's Beaches.....	73
Physical Sedimentary Features.....	73
Conspicuous Biological Components.....	78
Typical Geomorphology.....	79
Bubble Sand.....	80
COASTAL DUNES.....	81
6. BEACH EROSION.....	83
INTRODUCTION.....	83
MAJOR CAUSES OF BEACH EROSION.....	84
Introduction.....	84
Deficits in Sand Supply.....	84

Sea-level Rise	90
BEACH EROSION IN GEORGIA	95
METHODS COMMONLY USED TO PREVENT BEACH EROSION	95
7. ESTUARINE AND BACKBARRIER HABITATS	102
GENERAL MORPHOLOGICAL MODEL	102
MARSHEs.....	102
Introduction	102
Freshwater Marshes.....	104
Brackish Marshes.....	104
Salt Marshes.....	104
TIDAL FLATS.....	106
Definition.....	106
Exposed Sandy Tidal Flats.....	106
Sheltered Mud Flats.....	107
Dominant Biogenic Features.....	109
TIDAL CHANNELS.....	110
8. FRESHWATER RIVER SYSTEMS.....	115
GEOMORPHOLOGY AND HYDROLOGY	115
BOTTOMLAND HARDWOODS	117
9. CONTINENTAL SHELF	119
 SECTION II: COASTAL ECOLOGY OVERVIEW	
10. COASTAL ECOLOGY OF GEORGIA.....	122
MARINE MAMMALS	122
SEA TURTLES	123
MARINE AND COASTAL BIRDS	125
Seabirds	126
Shorebirds.....	127
Wading Birds.....	128
Ducks and Divers.....	128
 SECTION III: MAJOR COMPARTMENTS	
11. COMPARTMENT 1 - SAVANNAH RIVER TO OSSABAW ISLAND.....	130
INTRODUCTION.....	130
SAVANNAH RIVER FLOOD PLAIN AND DELTA	130
Introduction.....	130
Morphology and Sediments	132
Places to Visit	134

TYBEE ISLANDS.....	136
Introduction.....	136
Geological and Human History.....	137
Beach Erosion.....	139
Places to Visit.....	140
WASSAW SOUND.....	143
Introduction.....	143
General Morphology and Coastal Processes.....	143
Places to Visit.....	144
WASSAW ISLAND.....	146
Introduction.....	146
Wassaw National Wildlife Refuge.....	146
Places to Visit.....	147
OSSABAW SOUND.....	148
Introduction.....	148
General Morphology and Coastal Processes.....	148
Places to Visit.....	149
12. COMPARTMENT 2 - OSSABAW ISLAND TO BLACKBEARD ISLAND.....	152
INTRODUCTION.....	152
OSSABAW ISLAND.....	153
Introduction.....	153
General Geomorphology.....	153
Ownership History.....	154
Places to Visit.....	154
ST. CATHERINES SOUND.....	154
Introduction.....	154
General Geomorphology and Coastal Processes.....	155
Places to Visit.....	155
ST. CATHERINES ISLAND.....	156
Introduction.....	156
Beach Erosion	
General Geomorphology.....	157
Places to Visit.....	158
SAPELO SOUND.....	160
Introduction.....	160
Tidal Channels.....	160
Places to Visit.....	160

13. COMPARTMENT 3 - BLACKBEARD ISLAND TO JEKYLL ISLAND	163
INTRODUCTION.....	163
BLACKBEARD AND SAPELO ISLANDS.....	163
Introduction.....	163
Coastal Processes and Geomorphology.....	164
Blackbeard National Wildlife Refuge.....	165
Places to Visit	166
DOBOY SOUND	167
Introduction.....	167
Places to Visit	168
ALTAMAHA RIVER DELTA	169
Introduction.....	169
Geology and Geomorphology	170
Wolf Island National Wildlife Refuge.....	172
Altamaha Wildlife Management/Altamaha River Waterfowl Area	172
Places to Visit	173
ST. SIMONS AND SEA ISLANDS.....	183
Introduction.....	183
Geomorphology and Beach Erosion	183
Places to Visit	186
ST. SIMONS SOUND	192
Introduction.....	192
Places to Visit	192
14. COMPARTMENT 4 - JEKYLL ISLAND TO ST. MARYS ENTRANCE	194
INTRODUCTION.....	194
JEKYLL ISLAND	195
Introduction and Geomorphology.....	195
Human Habitation.....	196
Places to Visit	196
ST. ANDREW SOUND	200
Introduction.....	200
Places to Visit	200
CUMBERLAND AND LITTLE CUMBERLAND ISLANDS.....	202
Introduction and Geomorphology.....	202
Human Habitation.....	203
Places to Visit	204
ST. MARYS ENTRANCE.....	209

Introduction.....	209
Places to Visit	210
15. OKEFENOKEE SWAMP	211
16. FUTURE OF THE GEORGIA COAST	212
17. RECOMMENDED ADDITIONAL READING.....	214
18. GLOSSARY.....	216
19. REFERENCES CITED	241
